There has been progress in improving basic education and health outcomes and providing essential basic services, but major challenges remain

Access to basic services, and health and education outcome improvements, 2000 and latest year

Notes: The 'latest year' is 2012 for access to non-solid fuels and access to electricity, 2014 for gross intake ratio to the last grade of primary education, and 2015 for under-5 mortality rate and access to water and sanitation facilities.
